

President Delegated of ACI International

ACI International invites applications for the position of President Delegated, an appointment at the top of the organisation's executive structure. Leading the ACI head office staff in Paris and reporting directly to the Managing Board, the President Delegated will implement ACI's strategy, activities, and be responsible for the conduct of all financial affairs of the Association. Additionally, the President Delegated will represent ACI externally via contact with regulators, central banks, market participants, service providers, and will interact with the National Associations of ACI and its committees and working groups.

Qualified candidates will have at least 10 years of experience in a visible, senior position at a financial institution or other organisation closely related to financial markets. A clear record of achievement, with specific expertise in the product categories covered by ACI is crucial.

Candidates will have a relevant degree or qualification, and demonstrate a deep understanding of the institutional environment of ACI. Excellent communication skills in English are essential, other language skills are an advantage.

We offer competitive conditions of employment. This role involves frequent travel. While the candidate will not have to take up residence in Paris, the required regular interaction with ACI's head office necessitates a close time-zone proximity and easy geographic access to Paris.

If you are interested in applying for this position, please e-mail a CV and cover letter to managingdirector@aciforex.org. The application deadline is 1 December 2013.

About ACI: ACI is a leading non-profit but also non-political association of wholesales financial market professionals. Members of ACI are in a large part engaged within the financial trading or sales environment in the global financial markets representing the Foreign Exchange, Interest Rate Products and other Securities, Banknotes & Bullions, Precious metals and Commodities and their various kinds of Derivatives. ACI counts some 13,000 international members from more than 60 countries.
